TENTS

SAILCLOTH TENTS

Sailcloth Tents are contemporary, striking and versatile; and offer a stunning choice for any event. The Sailcloth Tent positively glows with its semi-translucent top, and it will draw you in with its natural wood poles, nautical touches and rounded corners.

CENTURY TENTS

These graceful pole tents meet the toughest standards for stability and safety, and offer superior resistance to the elements. With their high, elegant peaks and dramatic curves, the Century Tent offers a clean, white and airy spaciousness. They include white center and side poles, and are available in many sizes for any event.

FRAME TENTS

Frame Tents fit a much needed niche in the tent world. A visible metal framework supports the tent so there are no center poles. Perfect for tight areas such as small yards, decks, swimming pools, and stages - the uses are limitless. They can also be attached to other tents as catering tents, band or dance floor tents, and can also serve as marquee or walkway tents.
